

**P4151 Pt1000 0°C to +35°C, 4-20 mA**

Model: P4151

Temperature range: Pt1000 0°C to +35°C  
 Output: 4-20mA

Features

|                             |                                  |
|-----------------------------|----------------------------------|
| Accuracy                    | ±0.2°C                           |
| Output                      | 4-20mA                           |
| Temperature range           | 0 to +35°C                       |
| Operating temperature range | -30 to +80°C                     |
| Supply voltage              | 4-20mA, 24V                      |
| Current consumption         | >24mA                            |
| Current consumption         | <3.5mA                           |
| IP rating                   | IP65                             |
| Power supply                | 9-30Vdc, 24V                     |
| Dimensions                  | 88.5 x 117 x 39.5 mm (W x H x D) |
| Weight                      | 125g                             |
| Lead time                   | 3 weeks                          |
